

1. Adapter
2. Washer
3. Engine combining gearbox
4. Nut
5. Retaining nut
6. Extension bar L-122
7. Plate assembly T101588-5

NOTES

1. Install T101588-5 plate (7) on adapter (1). Secure with nut (4).
2. Insert extension bar (6) into plate (7). Ensure that extension bar (6) is seated all the way into nut (5) before attempting to loosen nut (5).
